Dear Parents/Carers

As a school we are looking to develop a program of workshops for parents. These would initially cover the core curriculum areas of reading, maths and English. We are aiming for these workshops to be accessible to all and therefore looking to post them onto our website in addition to having some in person 'live' sessions. We hope that by developing these sessions we will be able to strengthen our partnership between home and school.

We value your opinion and have created a questionnaire in order to gather your thoughts. We would be grateful if you could click on the link below and answer the short series of questions.

Many thanks for your continued support

Emily Iszatt
