Free School Meals

Dear Parents,

During the pandemic, circumstances for many of us have changed. Because of this the Local Authority has kindly agreed to support us in helping our families check whether their children are entitled to Free School Meals. To do this we need to send them some information and then they will do all the required searching to see if a family is eligible.

Being eligible for Free School Meals means two things. Firstly, that if you are eligible then you no longer need to pay for school dinners once your child moves into Year 3 and secondly the school receives the correct funding that it is entitled to them from the government. This money can then be used by the school to support the education of our children.

If you would like to help us check if you are eligible, can you please click on the link below and answer the 4 questions. Once the information you give has been used to check, it will then be disposed of in accordance with the school's Data Protection Policy.

The form will be open until 1 October 2021 for you to fill in your details if you wish.

Yours sincerely

Tony Head
Principal
