Dear Parents,

This term in Religious Studies, Year 5 are learning about the Easter story and resurrection. To help us with this, we have asked a speaker from a local church to come to school and answer the children's questions around this topic.

This will take place on Wednesday 16 March 2022. Please speak to your child's teacher if you have any questions about this lesson.

Thank you for your help,

Miss Deller & Mrs Wills
