

Nursery Learning Journey

Week beginning: 26th November 2018

This week our topic is Bake-Off

We will be learning about baking, inspired by the Great British Bake-Off. During our adult led 'Rainbow Time' throughout the week children will be following instructions on how to make biscuits, rice krispie cakes, fruit salad and jam sandwiches. They will be doing activities based around the bake-off theme such as the bakery role-play, weighing items, making cakes using salt dough and exploring different textures.

For your information

Please speak to your child's keyworker if they have an allergy as we will be making and eating the food that they have made throughout the week.

Please remember:

To bring in spare clothes for your child.

Home Challenge

This week's home challenge is for your child to make some bread with you. Here is a link for a simple recipe for you to use.
<http://kidsactivitiesblog.com/12750/easy-bread-recipe-for-kids>

Please take photographs of you making the bread and the end product.

How you can help at home

- Talk to your child about their favourite foods.
- Can they discuss which foods are healthy and unhealthy?
- Make a recipe with your child. To discuss what ingredients are needed and how to make it.
