

Year R Learning Journey

Week beginning: 29th October 2018

This week our topic is fireworks

We will be learning about fireworks and how to keep safe when watching them. We will be making firework pictures by using our fine motor skills and glitter.

In maths we will be learning to count out objects accurately and writing the correct number to match the number of objects.

In literacy we will be learning about rhyming words, we will be learning rhymes and reading and writing rhyming words.

Please remember

Monday 29th October is an inset day, we look forward to seeing you on Tuesday 30th October.

Please remember to bring back your child's PE kit. If you find any clothes that don't belong to your child then please return them to the class teacher.

Please make sure your child brings their book bag into school each day with their reading book and reading record.

Thank you.

Home Challenge

We are learning all about fireworks. It would be lovely if you could work with your child to create a firework picture or model. You could see how you can recycle the household recycling in your house to create different fireworks. Your child can either bring in their creations to share or you can take a photo.

Thank you for your support.

Have a lovely half term!

How you can help at home

- ✓ Go on a sound hunt around the house - what objects can you find that start with the sounds learnt?
- ✓ Count objects around the house and get your child to write the number of objects.
- ✓ If you are watching fireworks get your child to talk all about what they can see and hear.
- ✓ Keep encouraging your child to practise writing their name at home.
