What is the function of the heart?

Year 6

French

Our school - places, lessons and telling the time.

Geography

What's in the news? Studying earthquake and volcanic regions in North and South America.

Where are these located?

Music

Loops

What is a loop?

Using repeated patterns of sound to create and compose own loops.

Computing/DT

Programming using Scratch

Creating a fairground ride that can be controlled by scratch.

How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be a geographer

Research volcanoes, earthquakes and mountains. Have there been any recent news articles about volcanoes?

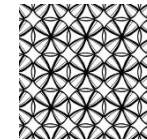

What is a dormant volcano?

How to be an artist

Which artist inspires you?

Find repeating patterns around your home – wrapping paper, fabric, wallpaper. How has the designer used colour and shape in their work?

Ways to support your child:

Make sure you attend school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
