

22 March 2019

Dear Parents

We have a very exciting week next week as we start our new DT project; next Friday we will be making our own pizza. Following research and taste testing, the children will be designing their own pizza on Wednesday afternoon. From this, they will create a shopping list of the toppings that they will need. They will be sent home with this list on Wednesday and their ingredients will need to be brought into school with them on **the morning of Friday 29 March 2019**. The school will be providing the ingredients to make the dough base but unfortunately, cannot provide toppings.

Please can you ensure:

- All the toppings are nut free in accordance with our school policy.
- Any meat is cooked prior to bringing it in.

As always, thank you very much for your help and support. We have no doubt this will be a brilliant and enjoyable experience for the children.

Please let us know if you have any further questions or concerns.

Yours sincerely,

Miss Hotston and Mr Atkins
