

10 May 2019

Dear Parents,

**City Athletics Competition**

As a school we have been invited to take part in a Southampton Schools' athletics competition on Tuesday 21 May 2019 from 9.30am- 4.00pm at Southampton Sports Centre (see map on reverse). Your child has brought this letter home because they have shown an interest in representing the school at this event, if selected. There are a limited number of places available and if interest in taking part is high then names will be drawn out of a hat.

Unfortunately, as the School does not have its own transport we would need to ask you for your support to take your child to the Sports Centre (and collect them).

If interested, please can you return your form by Tuesday 14 May 2019 at the latest.

Yours sincerely

Mr Brown  
PE Subject Leader
