

13 May 2019

Dear Parents

On Tuesday 4 June, Year 3 children will take part in an evacuation themed day at school. Following on from our trip, this day will help children learn what it was like to be a child in Southampton during World War II. They will make an evacuation name tag, be 'evacuated' to a different classroom, play games from the time and learn about food and rationing.

To help with their learning, we would like children to come to school wearing either evacuee style clothing or carrying a prop such as a gas mask box, teddy bear or small bag (see images below for ideas.)

If you have any questions, please do not hesitate to ask your class teacher.

Thank you for your support.

Yours sincerely

Alison Watson/ Emily Iszatt
