Dear Parent

We are aware it will soon be Ramadan. Whilst we acknowledge that the majority of children do not fast, we are also aware that some children do. Your child has indicated that they will be fasting.

Whilst we appreciate and respect the religious aspect of fasting I am concerned that your child is only 10 years old or under, and a lack of food and water could be damaging to their health. I would therefore ask you to consider carefully whether your child fasts or not.

Thank you for your consideration and of course we will respect your wishes. If your child is going to fast please could you notify the office in writing by completing the slip below. If we have no written record we will consider that they are not fasting.

Thank you for your co-operation.

Yours sincerely
