

Pride. Passion. Achieving Together

26 April 2019

Dear Parents

We are delighted to inform you that your child has been selected to represent the school at the Year 5 Digital Leaders Primary ICT Day being held at King Edward VI School. It takes place on Wednesday 22 May 2019 and is a fantastic opportunity for the children to receive lessons in Lego Mind storms robotics, Raspberry Pi computing and Barefoot computing.

The trip will take place during the school day between 9.45am-1.30pm. Your child will need to come to school wearing school uniform as normal, and lunch will be provided at the event. If your child has any dietary requirements or allergies, please do indicate this on the slip below. Transport is kindly being provided for us by King Edward VI School, which means that there is no charge for this trip.

If you are happy for your child to attend, please complete the consent form below and return it to us by **Friday 3rd May**. We would appreciate a quick response as there are only limited places available - if your child is unable to attend we can then offer the place to another pupil.

If you have any questions, do not hesitate to contact us.

Yours sincerely,

Mr Atkins
Year 5 Teachers

Miss Hotston
