

# Nursery Learning Journey

Week beginning: 11<sup>th</sup> February 2019

## **This week our topic is Valentine's Day and Friendship**

This week we will be celebrating Valentine's Day. During our adult led 'Rainbow Time' children will be thinking about the people that they love and why.

We will be making friendship chains, exploring what makes a good friend. The children will also be practising recognising numbers and counting.

## **Please remember:**

We would like to invite you in to look at your child's Learning Journey on Wednesday 13<sup>th</sup>. This will be at the beginning of the session and will be for about 10 minutes. We would love to see as many of you as possible.

Nursery will be closed the week beginning 18<sup>th</sup> February for half term.

## **Home Challenge**

Please can you return the heart that we have attached to this letter, to your child's key worker.

On the heart please can the children draw or put photographs of people that they love.

We look forward to seeing these lovely pictures.

## **How you can help at home**

- ✓ Talk about your family and why you love them. Ask your child who they love and why
- ✓ Practise counting at any opportunity and when out walking home from Nursery what numbers can you spot?
