

Nursery Learning Journey

Week beginning: 23rd April 2019

This week our topic is 'People who help us'.

This week we will be looking at 'People who help us' focussing on Builders. During Adult led Rainbow times, children will be using bricks and tools, as well as building their own houses. During Discovery Time children will be playing in the builder's yard role play area; brick painting, and learning a song about building a house.

Please remember:

Below you will find 2 wow stars for parents and grandparents to fill in. If you see or know that your child can do any of the things from the 'Can you?' box then please fill in the star with something that tells us about you how they can do it.

Home Challenge

Can you make your own house?
How tall will it be?
How many windows will it have?

You could use:

- scissors to cut materials
- pens to colour
- paint to decorate it

Please bring them in to show your keyworker.

How you can help at home

- ✓ Watch a video on You tube about builders: 'Lofty builds a house'
<https://www.youtube.com/watch?v=MnYOAMRJhLA&nohtml5=False>
- ✓ Talk to your child about different types of buildings in your area e.g. flats, bungalows etc.

Can you?

- Recognise numbers up to 5? 10?

- Recognise shapes in the environment?
