

Nursery Learning Journey

Week beginning: 25th March 2019

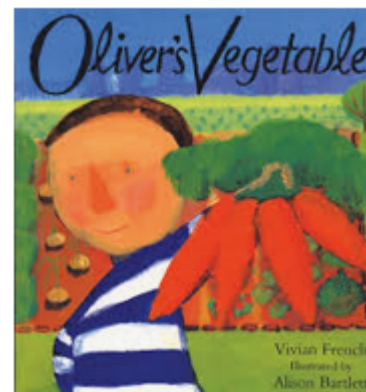

This week our topic is 'Growing.'

This week we will be looking at the story of 'Oliver's vegetables.' During Adult led Rainbow Times, children will be sharing the book, they will be tasting different vegetables, and printing with vegetables.

We will also be making cards for Mother's Day so make sure that you check their bags!

Please remember:

Can you please make sure that you do not send any food into Nursery inside your child's bag. We cannot guarantee that another child won't eat the food and as we have several children with allergies this could potentially be dangerous.

Home Challenge

When you go shopping this week, let your child pick a new vegetable that they have never tasted before. Let them smell and touch it before it's cooked. Then let them help you prepare and cook it, before tasting it.

We would love to see some photos of the different vegetables you taste.

How you can help at home
