

# Nursery Learning Journey

Week beginning: 28th January 2019

## **This week our topic is Traditional Tales.**

This week we will be looking at the story, 'Jack and the Beanstalk.' During our adult led 'Rainbow Time' children will be joining in with and re-telling the story, planting 'magic' beans and looking at numbers. They will be doing activities based around the story such as making beanstalks, bean play in the messy trays and small world play with animals and puppets.

## **Please remember:**

Please can you supply your child with a change of clothes, which can be kept on their peg at all times.

If you have any clothes that you have previously borrowed please return them to your key worker. If you have any suitable clothes that you no longer need and would like to donate to the nursery as back up, we would be very appreciative.

We have also started to learn some Makaton signs, to encourage and improve our communication skills. Please ask your children or the staff to model them for you.

Many thanks.

## **Home Challenge**

This week, we would love to see photographs of your children and family members sharing stories at home. With your permission we will then use these for a display in our reading area.

## **How you can help at home**

- ✓ Read the story 'Jack and the Beanstalk'
- ✓ Look at plants growing in the environment
- ✓ Look at numbers in the environment
