

Year R Learning Journey

Week beginning: 22nd April 2019

Our topic for the next two weeks is People who help us

The children will learn about all the different people who help us this week. We will be having some special visitors in over the week to tell us about how they help people in their jobs. In Literacy they will be writing about the roles of these people and other people discussed during the week. In maths will be learning about time. This will help us put our school day in the right order.

Don't Forget

Please remember to keep toys at home.

Please make sure that your child has a named PE kit in school at the beginning of next half term. We will be having a Sports Coach. Please make sure your child has both indoor and outdoor PE kit in school.

Thank you.

Home Challenge

Use the preview sheet (attached to this letter) to talk with your child about what to do when there is an emergency and who would best be suited to helping you. Dress up as the different people who help us and role play the incidents with your child.

Does your child know their address and/or your phone number that they can use if they get lost?

Thank you for your support.

How you can help at home

- ✓ Talk to your child about people who may help them in their daily lives such as family, teachers, dinner ladies, police, crossing patrol, fire fighters and doctors.
- ✓ Discuss with your child what to do if they become lost and point out safer strangers, such as people in uniforms and also safer buildings that children can go to if they are lost.
- ✓ Encourage your child to tell you how to stay safe when crossing the road.
