

Year R Learning Journey

Week beginning: 29th April 2019

This week we are continuing our topic of People Who Help Us.

In literacy the children will be creating fact files about different people who help us. In maths we will be learning how to halve. In music we will be learning some songs about people who help us and making up actions to go with the songs.

We are continuing to have special visitors coming in to talk to the children about their jobs. If you are a firefighter or a dentist we would love for you to visit. Please talk to your class teacher.

Don't Forget

Penguin class will have Teddy bear hospital on Wednesday 1st May. You will receive a separate letter about this. Kangaroo class will have Teddy bear hospital on Wednesday 8th May.

Thank you

How you can help at home

We are focusing on the key words that we have learnt so far. If you need another copy of these words please speak to your class teacher.

- ✓ Create a keyword treasure hunt. Ask your child to write the words on sticky notes and then hide them around your home. Give your child 5 minutes to find the words. They can only 'win' the word if they can say it. Thank you for your support.

Home Challenge

Your home challenge this week is to practise dressing and undressing independently. How quickly can you do it? Ask an adult to time you, write the time taken on a wow star and peg it to the home challenge board in the classroom.
