

6 June 2019

Dear Year 4 Parents

Towards the end of last half term I sent a letter to you to ascertain parents level of interest in changing the venue of the Year 5 residential for next year. The deadline now having passed, and the responses having been examined, I would like to let you know that the venue will indeed be changing to that of Marwell Activity Centre.

More information concerning the residential will be sent to you when your child enters Year 5 this coming September.

Thank you once again for your support.

Yours sincerely

Anthony Head
Principal
