

Year R Learning Journey

Week beginning: 13th May 2019

For the next two weeks we will be looking at some of the stories by the author Julia Donaldson.

This week our topic is *The Gruffalo*

The children will be learning to retell the *Gruffalo* story, looking for rhyming words and labelling the characters. In maths they will be practising addition using a number line. The children will also be using their fine motor skills to make a moving *Gruffalo* puppet and we will be making up some *Gruffalo* dances.

Please remember

Please continue to practise reading with your child at home.

Thank you.

Home Challenge

The home challenge this week is to go on a *Gruffalo* hunt with your family, you could retell the story as you creep around your garden looking for the *Gruffalo*!

How you can help at home

- ✓ Encourage your child to tell you the story of the *Gruffalo*.
- ✓ As you read books with your child, listen out for rhyming pairs together.
- ✓ Practise some subtraction questions with your child, can they count back on a numberline to find the answer?
