

Year R Learning Journey

Week beginning: 6th May 2019

This week we will be learning about Keeping Healthy

The children will be learning about how to keep healthy through food and lifestyle choices. They will be practising their scissor skills by cutting out food pictures to create a healthy lunchbox. In Art, the children will be painting pictures of fruit. This week in Mathematics they will be learning about money, the children will be using coins to 'buy' healthy food. In Literacy the children will be writing healthy shopping lists.

Don't Forget

Kangaroo class will have Teddy Bear Hospital on Wednesday 8th May. Please remember to bring a teddy bear.

Thank you!

Sounds of the week:

oa oo

Words of the week:

We will be practising all of the key words we have learnt so far.

Home Challenge

How can you be healthy at home? Try doing some exercise, can you do 5 star jumps? Can you jog for 5 minutes?

Why don't you try some healthy food? Can you find a fruit you have never tried before? What does it taste like?

Thank you for your support.

How you can help at home

- ✓ Talk to your child about healthy lifestyle choices, for example, the importance of washing hands, brushing teeth, sleeping well, exercise, talking about feelings.
- ✓ Keep practising sounds and keywords every day.
- ✓ If you have a computer at home then let your child have a go at typing their name, a list or a sentence.
