How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be an historian

How do you know things happened in the past?

What times in history do you know?
(Romans?)

How to be a musician

Can you find any space music to bring into school?

If you watch a film or programme, listen to the music at the start and the end. Can you tell the mood of what you are about to watch by listening to the music?

Ways to support your child:

Make sure you attend school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
