

2 December 2019

Dear Parent,

### **Junior Fruit Scheme**

You will be aware that our infant children receive a piece of fruit/vegetable every day as part of a NHS Government initiative. This does not apply to Years 3-6.

However, as we recognise the importance of eating at least 5 portions of fruit/vegetable each day, we arrange to provide one of these portions to our junior children at a very low cost.

If you would like your child to receive a piece of fruit each day from the start of next term, please complete and return the form below by Friday 13 December 2019.

The cost will be £7.00 for next term and payment must be made online.

Yours sincerely,

Rachel Coney  
Business Principal
