

Nursery Learning Journey

Week beginning: 2nd December 2019

This week our topic is Winter/Frozen

We will be learning about Winter and the movie Frozen. During our adult led 'Rainbow Time' children will be sorting clothes into the seasons of summer and winter, size ordering winter clothes and dancing like arctic animals. They will be doing activities based around winter such as building an igloo, exploring frozen ice animals, looking at non-fiction books and making a snowman out of shapes. We will also be including the songs and music from Frozen.

Please remember:

Now that the weather is getting colder, it is really important that your child has a warm coat to wear. Please can we also ask for all clothing to be named. If you have any school clothes at home that don't belong to you please return them as we have a few missing cardigans.

Home Challenge

This week's home challenge is for your child to make a winter or frozen picture. We would love to see any of the work that they produce, so that it can be displayed in the Nursery.

Singing Hands are a fantastic and have lots of videos on YouTube to support the learning of Makaton. Check out this short clip, that shows you how to sign winter.

How you can help at home

- ✓ Whilst children are getting dressed in the morning discuss why they are putting on winter clothes.
- ✓ Go on a nature walk and talk about the changes that happen in winter.
