

Year 1 Learning Journey

Week beginning: 6th January 2020

This half term our topic is Toys.

To start our unit off we will be using 'Toy Story' as a hook into our learning.

The children will be identifying the main characters this week and describing what they look like and what their personality is like.

This will then extend to them writing the story the following week.

To get excited about the topic we would like to watch parts of the film in class. It is a PG certificate. If you would rather your child not watch the film then please let the class teacher know.

This week in Maths our lessons will focus on odd and even numbers.

At the beginning of the week the children will physically share out objects to see if there is one left over - making it odd.

As the week progresses the children will then move on to looking at numbers and sorting into odd and even categories.

We will be singing songs and rhymes to help us learn the odd and even numbers.

Phonics sounds of the week:

We will be learning 3 new sounds
ay (play), ou (shout), ie (tie)

Key words of the week:

said was

Please note the children are expected to be able to read and spell these words by the end of Year 1.

Thank you.

The Year One team would like to thank you all for your help and support during the first term in Year One.

Your children are amazing!

We would like to wish you a Merry Christmas and a Happy New Year!

Dates for your diary:

- Children are back in school on Monday 6th January 2020.
- Milestones reply slips and contributions are required as soon as possible. Please hand in to the Office. The trip is Wednesday 22nd January.
- 1DM (Tigers) assembly to parents is Thursday 30th January at 9.05am in the infant hall.
