

Year R Learning Journey

Week beginning: 6th January 2020

The first week back our topic is Dinosaurs

We will be learning all about dinosaurs. In literacy we will be writing instructions about how to look after a dinosaur egg and labelling parts of a dinosaur. In Phonics we will be starting to learn our trickier sounds and begin to read words with these sounds in.

In Maths we will be learning how to add two groups together.

For your information

The first day back after the holiday is Monday 6th January.

Please remember to bring your child's P.E kit back after the Christmas holidays.

Words of the week:

all are my

Home Challenge

We would like to wish you a very Happy Christmas to all who celebrate it. We would love to know what you have been doing on your holiday. You could draw a picture or write about what you did and who you saw.

Thank you for your support.

How you can help at home

- ✓ Keep practising with your child daily their sounds and key words. Can they write these?
- ✓ Can your child add together two groups of objects to find the total? An example could be adding the shopping objects such as 3 bananas add 2 bananas equal 5 bananas.
- ✓ Learn more about dinosaurs.
