

6 December 2019

Dear Parents

Infant Party

The Infants will be having an end of term party on Thursday 19 December 2019 during the afternoon to celebrate the festive time of year. We will have party games, dancing and time to eat some party food!

It would be great if you could provide your child with one of the following items for the party on that day:

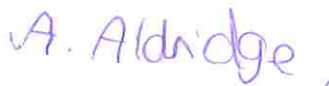

- Year R – Drinks
- Year 1 – Savoury items
- Year 2 – Sweet items

The children will have lunch as normal and the party food will be in addition to this.

Please note our school is a nut free school so please check carefully that the food sent in does not contain nuts. Thank you!

At the beginning of the year you completed a permission form for your child to eat a variety of food throughout the school year. It is important that if there have been any changes e.g. allergies then your child's class teacher **must** be notified.

Yours sincerely

Mrs Aldridge
Assistant Vice Principal
Early Years

Mr Ian Howie
Vice Principal
Key Stage 1 Phase Leader
