

# Year R Learning Journey

Week beginning: 9<sup>th</sup> December 2019

## **This week our topic is Little Red Riding Hood**

We will be learning all about the story of Little Red Riding Hood. In literacy we will be retelling the story of Little Red Riding Hood using actions, masks and puppets.

We will also be learning how to write words from the story using our phonic knowledge.

In Maths we will be recapping our learning from the term such as counting, number recognition, size and 2D shape.

## **For your information**

Reception Nativity performance is on Thursday 12<sup>th</sup> December at 9:30am and at 2pm.

We will be putting reading book boxes out every morning so that you are able to change your child's home reading book each morning. Please make sure that you only get the colour band that your child's teacher has set.

Sounds of the week:

Recap all sounds so far

## **Home Challenge**

This week's home challenge is to go on a shape walk, to see what shapes your child can find in the environment.

For example, a car tyre or a clock is a circle. A road sign is a triangle or some toast could be a triangle or rectangle. Please take photographs of the different shapes and work with your child on how they could present their findings.

Thank you for your support.

## **How you can help at home**

- ✓ Keep practising with your child daily their sounds and key words. Can they write these?
- ✓ Can your child name any 2D shapes? Challenge: Can they describe what the shape looks like?
- ✓ Encourage your child to retell the story of Little Red Riding Hood.
