

11 September 2019

Dear Parents

In our art lessons this term, the children are learning how to use colours and textures to tell a story. The final session will require the children to use weaving skills to create their own wall hanging.

Join us on Friday 11 October 2019 1.15 – 3.15pm to **support your child** with their weaving.

Please come to school via the School Office. We look forward to seeing you.

Thank you for your support.
