

Year 1 Learning Journey

Week beginning: 16th September 2019

This week in English our lessons will be linked to a Teddy Bear's Picnic.

The children will be exploring lots of different activities based upon a Teddy Bear's Picnic. They will be taking part in lots of role play where they will be hosting their own tea parties!

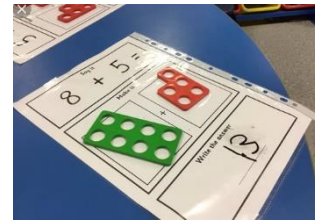

The children will be writing invitations for their own picnic and also producing fact files about their favourite teddy bears.

The children will be encouraged to use their sounds and use finger spaces, capital letters and full stops.

This week in maths our lessons will focus on adding.

The children will be recapping previous knowledge on adding. They will be using physical objects to work out the total of two numbers.

The children will also use numicon, a practical maths resource, to support their addition work.

Phonics sounds of the week:
ff, ss, ll, zz

Key words of the week:
of is

Please note the children are expected to be able to read and spell these words by the end of Year 1.

PE reminder:

We still have a lot of children who do not have a PE kit in school.

Your child needs a named t-shirt, trousers or shorts and trainers/plimsolls. They cannot do PE in their school shoes.

Year 1 do PE on Tuesdays and again on Thursdays.

Any practise at home with getting changed independently (especially buttons and tights) would be greatly appreciated!

Teddy bear request

Next week your child will need to bring a teddy bear in from home to support their learning. We ask that this teddy is kept in school all week.

Nothing too precious please!
