

21 October 2019

Dear Parents

You may be aware that this term we have introduced children to Spelling Shed, which is an online resource aimed at encouraging children to practise their spellings through a series of games and activities. It can be found at <https://play.edshed.com/login>.

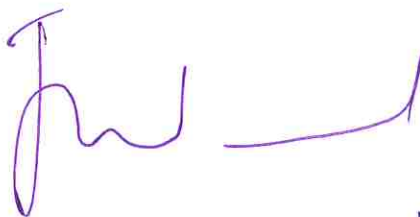

We are using this resource at school but also recognise that it will be most effective if also used regularly at home. We would therefore like to invite all parents to a short meeting on Thursday 7 November between 3.45pm-4.00pm in 5H where we will demonstrate Spelling Shed and explain how it can be used outside of school. In order for this resource to have the intended impact, it is important that parents are engaged in the learning process with children, encouraging the regular practice of spellings at home.

We hope that you are able to attend - no booking is required - and we look forward to seeing you there. If you have any questions, please do not hesitate to contact us.

Yours sincerely

Amy Hotston
