

# Nursery Learning Journey

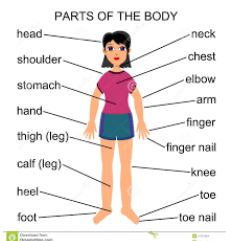

Week beginning: 23<sup>rd</sup> September 2019

## This week our topic continues to be 'All about Me'

The children will continue to learn about themselves and their family. They will be taking part in activities based around themselves and their family such as; washing up role-play, and making themselves and family members from 2D shapes. During our adult led 'Rainbow Time' throughout the week your child will be involved in small group conversations looking at family photos, learning new songs and putting together a skeleton puzzle; naming body parts as they do so.

## For your information

- Children are provided snacks during their Nursery sessions. Please do not put food in your child's bag as some children have allergies.
- Please remember to bring a spare change of clothes in a named plastic bag for your child and pull ups if needed.

## Home Challenge

We will be looking at family photos and talking about the similarities and differences in our families. We would love you to bring a family photo to school to share with your keyworker group.

Thank you for your support.
