

Year R Learning Journey

Week beginning: 23th September 2019

This week our topic is Marvellous Me

The children will be learning all about themselves and their family. In maths we are learning how to record information using pictograms. In literacy we are learning about the story Owl Babies. We will be sequencing the story and acting it out together. In discovery time, children will be able to self-select their own resources but also a range of activities related to themselves.

For your information

Each child has been provided with a reading book and reading record. Please encourage your child to read to you at home. To start with your child's teacher will be changing their book to ensure it is appropriate. Please write a comment in your child's reading record when you have read with them.

Sounds of the week:

t p

A reminder:

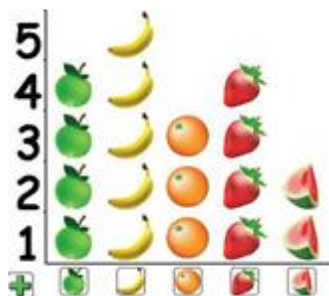

Don't forget that your child will be doing PE every week, so please ensure that their PE kit stays at school.

Please remember the classroom doors will be closed at 8.55, so ensure your child is dropped off before this time.

Thank you.

Home Challenge

Can you complete a survey at home with your family? You could find out about your families hair colour or eye colour. Can you make a pictogram of this? Here is an example of a fruit pictogram.

How you can help at home

- ✓ Practise getting changed independently into their school uniform. How quickly can your child take their shoes on and off?
- ✓ Talk to your child about the new phonic sounds they have been learning at school. Can they think of any words beginning with that sound? e.g apple, pirate, pig, tower.

Thank you for your support.
