

Nursery Learning Journey

Week beginning: 25th November 2019

This week our topic is Dinosaurs

This week we will be learning about Dinosaurs and the stories 'Harry and his bucket full of dinosaurs'. During our adult led 'Rainbow Time' children will be learning about the different dinosaurs, printing dinosaur footprints, dinosaur dancing, counting and making paper plate dinosaurs.

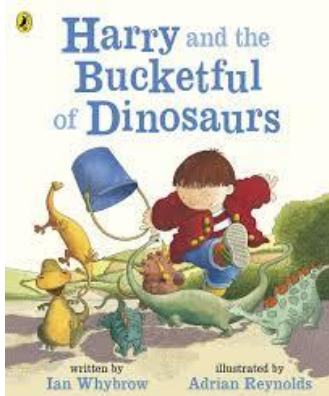

For your information

If you haven't returned or lost your technology letter, then please ask your key worker for another copy.

Follow this link to watch a

Please remember:

Your child will need suitable clothing and footwear for this time of year.

Home Challenge

This week's home challenge is to make a dinosaur. This could be a 3D model, a drawing or even a dress up costume. You could even make up a dinosaur dance. Please bring in anything that you make or take photos. We would love to see the children's ideas or photos.
Thank you for your support.

How you can help at home

- ✓ Get involved - join in with making something at home
- ✓ Read stories to your child before they go to sleep.
- ✓ Talk to your child about what they are learning about in Nursery.
