Home Challenge

This week's home challenge is for you to create a repeating pattern using objects around the house. The pattern could be colours or objects.

If your child completes this challenge we would love to see a photo of their pattern.

Thank you for your support.

How you can help at home

- ✓ Encourage your child to go on a sound hunt finding objects starting with our sounds of the week.
- ✓ Read books and practise sounds using flashcards daily.
- ✓ Watch the story of Elmer (<https://www.youtube.com/watch?v=wQKkgMSYQRQ>) and encourage your child to talk about why they are special.
- ✓ Talk about the colours you can see in your environment, making sure your child knows the correct name.
