

# Year R Learning Journey

Week beginning: 27<sup>th</sup> January 2020

## **This week our topic is continuing under the sea**

In Literacy we will be describing and learning facts about sea creatures. We will be making an under the sea picture in art by cutting, collaging and printing.

In maths we are going to be adding using objects. We will also be thinking about number recognition and counting.

In phonics we will be learning our new digraph sounds 'ee' and 'igh'.

## **For your information**

Penguin class assembly is on Thursday 6<sup>th</sup> February from 9.00am until 9.20am. We invite the Penguin class parents in to watch.

The Kangaroo class assembly is on Thursday 26<sup>th</sup> March.

Sounds of the week:

ee igh

Words of the week:

like so

## **Home Challenge**

This week's home challenge is to think about your favourite sea creature from our school trip. Can you find out some facts about this creature? Present these facts in any way you like. This could be a painting, poster or model.

Thank you for your support.

## **How you can help at home**

- ✓ Keep practising with your child daily their sounds and key words. Can they write these?
- ✓ Practise taking away objects with your child such as 'I have 10 sweets, if I eat 2, how many will I have left?'
- ✓ Practise getting dressed independently at home, how quickly can your child get dressed? Can they beat their time?
