

Year R Learning Journey

Week beginning: 2nd March 2020

This week our topic is Pirates

The children will be involved in some fun learning opportunities including writing a message in a bottle. In maths they will be learning about adding on a numberline. In literacy the children will be writing wanted posters. The children will be painting the clay coins they moulded on pirate day. They will be using their imagination to act out a pirate story.

Please remember

We have PE every Thursday, please ensure your child has a suitable PE kit in school every week.

Please make sure your child's bookbag comes to school every day with their reading record and book inside.

Thank you.

Home Challenge

The home challenge this week is for your child to make a Pirate Ship. Please make sure that your child does most of the work themselves, only helping if they ask for some. They could use lego, cardboard boxes, paper or anything else they can think of.

How you can help at home

- ✓ Practise the sounds we have learnt so far, can your child spot these in the supermarket or on food labels.
- ✓ Encourage your child to dress themselves, for a challenge can they get quicker each day?
- ✓ Encourage your child to practice counting, can they count the peas on their plate at dinner time? Can they count how many stairs in your house?
