

9 March 2020

Dear Parent,

Junior Fruit Scheme

You will be aware that our infant children receive a piece of fruit/vegetable every day as part of a NHS Government initiative. This does not apply to Years 3 – 6.

However, as we recognise the importance of eating at least 5 portions of fruit/vegetable each day, we arrange to provide one of these portions to our junior children at a very low cost.

If you would like your child to receive a piece of fruit each day from the start of next term, please make a payment online by Monday 23 March 2020.

The cost will be £7.00 for next term.

Yours sincerely,

Mandip Mandair
Admin Officer
