

16 March 2020

Dear Parents,

We have a very exciting week next week as we start our new DT project – designing and making our own pizzas. Following research and taste testing, the children will be designing their own pizza on the afternoon of Wednesday 25 March 2020.

From this, they will create a shopping list of the toppings that they will need. They will be sent home with this list on Wednesday 25 March 2020 and their ingredients will need to be brought into school with them on **the morning of Friday 27 March 2020**. The school will be providing the ingredients to make the dough base but unfortunately, cannot provide toppings.

Please can you ensure:

- All the toppings are nut free in accordance with our school policy.
- Any meat is cooked prior to bringing it in.

As always, thank you very much for your help and support. We have no doubt this will be a brilliant and enjoyable experience for the children.

Please let us know if you have any further questions or concerns.

Yours sincerely,

Miss Hotston and Miss Deller
Year 5 Teachers
