Parents Meetings: Change of dates

Dear Parents,

We have decided to bring parents meeting forward from their original diary date. This is being done so that teachers and parents have a chance to talk prior to all children returning to school (hopefully by the 8 March 2021 – depending on government decision making).

These meetings will give you an opportunity to discuss with your child's teacher how they have found online learning, and to make them aware of anything from a learning or wellbeing point of view that your child is finding more challenging. This will support us in attempting to fill any gaps in potential lost learning and to support your child's transition back into school life.

These meetings are being spread over two weeks. The first set of these will be on **Wednesday 24 February 2021 & Thursday 25 February 2021** and the second set will be held on **Wednesday 3 March 2021 & Thursday 4 March 2021**. When you click on the link below you will be taken to the booking form. Upon selecting your child's class, the available dates and times for your child's class teacher will be displayed.

I would like to make you aware that parent meetings will be running from 1.00pm to 4.30pm on each of the dates.

Thank you once again for your continued support and efforts during this time.

Kind regards
