How can you help your child at home?

Below are some suggested activities you may like to try with your child.

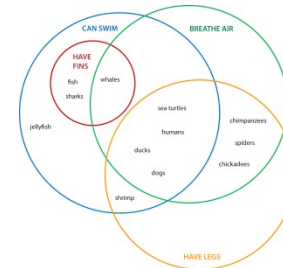

How to be a scientist.

How to be an historian.

How do you know things happened in the past?

What times in history do you know? (Ancient Greece?)

Can you think of different ways to classify animals?

Ways to support your child:

Make sure you attend school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
