# Part A: Pupil premium strategy plan

## Statement of intent

Our ultimate objectives for disadvantaged pupils are:

- To deliver good or better learning for all
- To diminish the attainment gap between the school's disadvantaged pupils and others nationally
- To raise the in-school attainment of both disadvantaged pupils and their peers
- To increase the academic progress of disadvantaged pupils

Economic disadvantage should not be a barrier to academic attainment.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	English as an additional language (EAL) A learner of English as an additional language (EAL) is a pupil whose first language is other than English. First language is the language to which the child was initially exposed during early development and continues to use this language in the home and community. 56% (47) of disadvantaged pupils at Portswood Primary School are registered as EAL learners
2	Special Educational Needs (SEND) SEND pupils have a learning difficulty or disability which calls for special educational provision to be made for them. 27% (22) of disadvantaged pupils at Portswood Primary School are registered as SEND learners (17 pupils). 6% of these disadvantaged pupils have an EHCP (5) 9 disadvantaged pupils have language and communication needs. 4 disadvantaged pupils have moderate learning difficulty. 3 disadvantaged pupils have autistic spectrum disorder. 2 disadvantaged pupils have social and emotional needs.
3	Persistent low attendance causes gaps to develop within pupil subject knowledge. Pupil Premium attendance 20-21 = 91.4% (whole school 94.3%) 32% (27) disadvantaged pupils had an attendance figure below 90% for the 2020-21 academic year. 37% (30) disadvantaged pupils had an attendance figure below 90% for the 2019-20 academic year. 23% (16) disadvantaged pupils had an attendance figure below 90% for the 2018-19 academic year. There are 18 pupils who have a history of attendance falling below 90%.
4	Communication and Language Delayed language development can mean an inability to use and understand speech and language to communicate and fully engage with the curriculum. This can have a significant impact on future school performance. 12% of disadvantaged learners (10 pupils) at Portswood Primary School have required speech and language support.
5	Parental engagement Parents of disadvantaged children are under-represented at parental events e.g. parents' evenings, consultation meetings, learning workshops, assemblies
6	Access to digital devices for home learning. Covid 19 school closures surveys showed that, 44 disadvantaged pupils had no access to, or only shared access for, digital devices within their home. 33 of these pupils are currently in Key Stage 2 (61% of disadvantaged Key Stage 2 cohort)

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Reading	Achieve above national average progress scores in KS2 Reading
Progress in Writing	Achieve above national average progress scores in KS2 Writing
Progress in Mathematics	Achieve above national average progress scores in KS2 Mathematics
Phonics	Attainment in line with national non-disadvantaged standards
Year 4 Multiplication Tables Check	Attainment in line with national non-disadvantaged standards
Other	Improve attendance of disadvantaged pupils to be in-line with 2019 school average (95.3% - gov.uk – school performance tables)

## Activity in this academic year

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

*Due to COVID-19, performance measures have not been published for 2020 to 2021, and 2020 to 2021 results will not be used to hold schools to account. Given this, please point to any other pupil evaluations undertaken during the 2020 to 2021 academic year, for example, standardised teacher administered tests or diagnostic assessments such as rubrics or scales.*

*If last year marked the end of a previous pupil premium strategy plan, what is your assessment of how successfully the intended outcomes of that plan were met?*

### Externally provided programmes

*Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England*

Programme	Provider

### Service pupil premium funding (optional)

*For schools that receive this funding, you may wish to provide the following information:*

Measure	Details
How did you spend your service pupil premium allocation last academic year?	
What was the impact of that spending on service pupil premium eligible pupils?	

## Further information (optional)

*Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.*
