

30 September 2025

Dear Parents

### **Year 3 - 6 parent and guardian orienteering experience.**

Last year, we invested in an orienteering course for the school. We would like to invite you to come to school and try the orienteering course with your child/ren.

This will be a fun and friendly opportunity to have a go at orienteering using the maps alongside your child. All resources will be provided and it is free to attend.

The orienteering experience will be held from 3.45pm–4.30pm on Monday 13 October 2025. Please meet in the Junior Hall at 3.40pm. You are responsible for supervising your child/ren whilst on the school site and must remain with them at all times.

If you have any questions, please contact Miss Upfold.

Yours sincerely

Miss Upfold  
P.E.
