Headteacher - Tony Head

Dear Parents

As part of our R.E. curriculum, we are always looking for ways to include experts to make learning more engaging for the children. We frequently call upon the knowledge of the children during R.E. lessons and we are now hoping to involve yourselves to share your wealth of personal knowledge during lessons or assemblies for different year groups.

If you are happy to come and talk to the children about a religious festival, place of worship or important people within a religion we would love to hear from you. Whatever it is that you can offer we would be incredibly grateful for your support.

We are hoping to refresh our bank of contacts that we can call upon throughout the school year to speak to the children about the current topic of learning. If you would like to be a part of our exciting R.E. curriculum at Portswood Primary School, please could you complete the slip below or email kangaroos-pwd@portswoodpri.org.uk

Thank you for your continued support,

Mrs Taylor
