School Photographs – Wednesday 22 October 2025

Dear Parents,

The school photographer will be visiting the school on Wednesday 22 October 2025 to take individual and sibling photographs of the children.

On this day, children should come to school in full uniform ready for their photograph.

Last year, sibling photographs were taken first thing in the morning before the start of the school day. However, we recognise this arrangement was difficult for some families to manage. This year, to help make things easier, sibling photos will be taken during the school day.

There is no need to arrive early as the office will organise the schedule so that all sibling groups are photographed together during school hours.

Please note that sibling photographs are for children who attend the school only.

Yours sincerely,

Tony Head
Headteacher
