

# Year R Learning Journey

Week beginning: 13th September 2021

**This week we will be continuing to focus on getting to know each other, learning class rules and being school ready.**

We appreciate all of the efforts you have made to make, fill and send in your child's All about me boxes. Please bear with us as we work our way through them. We are very excited to learn more about your children. Once we get to know them better this will enable us to plan an exciting and relevant curriculum for your children.

## **For your information**

From Monday 13<sup>th</sup>, at home time we would like to ask that you stand in the main playground behind the multicoloured small fence. We will then send your child to meet you at the gate. The children will use the gate that is closest to their classroom. If you need to speak to the class teacher, please wait until all children have left the classroom.

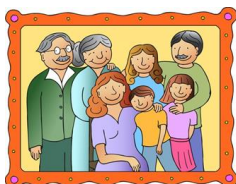

We thank you for your help in this matter.

## **A reminder:**

This week we will be starting P.E so please ensure your child wears their PE kit into school on Thursdays.

## **Home Challenge**

This week we will be learning about ourselves and our families. This week's home challenge is to draw a family portrait. Can your child write their name? Can your child write any family member names? Peg this onto your class home learning board.

## **How you can help at home**

- ✓ Practise getting their jumper on and off independently.
- ✓ Please ensure every item your child brings into school is named, including water bottles.

Thank you for your support.
