Headteacher - Tony Head

Dear Parents

We recently supplied each child with a new book bag. This has helped in keeping the school tidier and hazard free.

We are noticing an increasing number of bags being returned damaged because they are being overloaded.

Can I please remind you that these are book bags, and should only be used for carrying their reading books, diaries and homework in. If you overload them with heavy water bottles and lunch boxes, they will break. We still ask that **no rucksacks or other types of bags** are used to bring items into school. This will allow us to reduce the number of bags in the cloakrooms and so address the health and safety issue previously identified.

Going forward, if you need to replace your bookbag, these can be purchased from the school for a small charge of £2.00. Please contact the office if a replacement bag is needed.

Alternatively, if you wish to purchase your own bookbag, you are more than welcome to. However, the dimensions of this bag need to be the same as the one originally supplied by the school. (please see below).

Thank you for your continued support

Yours sincerely
