

23 January 2026

Year R – Handwriting Workshop

Wednesday 11 February 2026 at 9:00am-9:30am or 1:00pm-1:30pm.

Dear Parents,

We would like to invite you into school so that we can share how we teach handwriting in Year R using the Kinetic Letters Scheme.

You are welcome to join us on **Wednesday 11 February 2026** at either **9:00am** or **1:00pm**.

If you can attend, please sign up directly with your child's teacher. Sign-up sheets will be available from **Friday 30 January 2026** at the beginning and end of the day. Spaces are limited to **15 parents per session**.

During the workshop, you will join your child for a handwriting session to see how we teach letter formation, correct posture, and pencil grip. Afterwards, there will be an opportunity to ask questions.

Unfortunately, we are unable to accommodate younger siblings during these sessions, as they are part of the children's learning. Please arrange alternative childcare where necessary.

We hope these sessions will help you feel more confident in supporting your child's handwriting at home.

We look forward to seeing you there.

Yours faithfully

Mrs Aldridge
Early Years Phase Leader
