

23 January 2026

Dear Parents,

As part of our Toy Unit in Year 1, the children have produced lots of fantastic work. They have worked hard to write character descriptions of Woody and Buzz from Toy Story, created fact files, and have carefully drawn both old and new toys. The children have also had opportunities to make some old toys and explore the toys we have in school.

To celebrate this wonderful learning, we would like to invite you to visit our Year 1 Toy Museum on Wednesday 11 February at 2:45pm. The children will have the opportunity to share all the work they have created around our topic. The Toy Museum will be held in the Infant Hall and the Year 1 classrooms.

Yours faithfully,

Emma Kinally
KS1 Phase Leader
