## Morning Gate Arrangements from Monday 2 February 2026

Dear Parents,

We wanted to let you know about a small change to our morning gate arrangements starting Monday 2 February 2026.

From this date, the top playground gate will be closed in the mornings. Children in Years 4, 5 and 6 should instead enter school via the gates near the kitchens, which are usually opened by Mr Leonard.

**This gate will be closed**

**Please use this gate**

All gates will be open as normal at the end of the school day.

Thank you, as always, for your support and cooperation.

Yours sincerely,

Tony Head  
Headteacher
