Headteacher - Tony Head

5 March 2026

Dear Parents,

This is a reminder that the Year 5 Fractions Workshop for parents will take place on **Tuesday 17 March 2026**, from **9:00–10:20am**.

During the session, parents will have the opportunity to review the Year 5 expectations for fractions. You will then visit the classroom to observe your children's learning and support them with their fractions work.

We look forward to seeing you there.

Kind regards,

Miss Jones, Mrs Iszatt and Mrs Carolan
